

AURORA

Develop your professional skills and capacity in the fields of the Aurora Competence Framework, Open Educational Resources or Service Design Thinking!

Aurora Staff Training Program

Staff Training Opportunities
Autumn 2021

Autumn 2021

Various dates – More information on the back

Aurora has multiple staff training opportunities available throughout the year. Several of these sessions have been bundled in the Aurora Staff Training Series, compiled by WP6.

The featured selection include a series of training activities on the Aurora Competence Framework, providing a valuable hands-on introduction to the ACF, one of Aurora's key tools in transforming education.

In addition, the featured Open Educational Resources Training Series offers participants brief and valuable information, helping them to further improve their OER-efforts! Next to that, the University of Innsbruck has made their (Service) Design Thinking for Educators Training Series available for all interested Aurora University lectures .

Co-funded by the
Erasmus+ Programme
of the European Union

Program for the Academic Year 2021–2022

For more information on the exact times and locations of these training sessions, as well as the exact participation criteria, please visit the listed webpage or contact the relevant Aurora participants.
