

AURORA

Open courses for Aurora students in spring/summer 2022

Maximize your learning experience! Follow a short course in another European country

Online and On site

March 2022 – September 2022

Aurora students are invited to take a look at what courses are on offer for them at other Aurora universities. Access information on [64 courses at 7 different Aurora universities](#). From Fintech and Emerging Financing Models, Big Data Management and Analysis, to Psychology in Sports, there's a variety of subjects to suit everyone in each study level. Use the 'Sort & Filter' option in the spreadsheet in order to check prices, ECTS*, dates and deadlines**. Some of the application windows are already open, find out how to apply on the respective course websites.

**Admission to a course does not guarantee that the achieved learning outcomes or grades will be recognized at your home institution for your respective study programme. It is recommended to discuss recognition issues with the respective office/person at your home institution (e. g. Dean of Studies) as soon as possible.*

***Each Aurora university has an allocation of Aurora funding to support outward mobility and this may be available for your selected courses. Please check with your home university's study abroad office for details on how to access relevant funding. We hope you will be able to take the opportunity to study abroad at another Aurora university during your degree!*
